

**This Christmas Nail is a secret ornament.  
Place it in the center of your tree so that  
only your family knows of its presence.  
Others will take no notice of it, but to you  
the nail symbolizes the tree that Jesus  
decorated for us with the sacrifice of His life.**

**But God demonstrates His own love for us in  
this: While we were still sinners, Christ died for us“  
Romans 5:8**
